

WANTED!

TRAITOROUS, TREASONOUS, CRIMINAL GOVERNMENT

HELP BRING CRIMINAL GOVERNMENT BEFORE THE BAR OF JUSTICE FOR THE FOLLOWING CRIMES AGAINST "WE, THE PEOPLE!"

▶ Squandering and stealing the hard-earned wealth of all current and future Americans through the criminally irresponsible act of deficit spending and the subsequent amassing of trillions of dollars of national debt.

▶ Routinely and repeatedly lying to and deceiving the American people about virtually every issue that profoundly affects the nation's future, security, solvency, and stability.

▶ Voting in favor of and passing legislation they haven't even bothered to read...legislation which, incidentally, treacherously erodes and subverts our Constitution and Bill of Rights.

▶ Engaging in and tolerating clandestine, black-op activities that are designed to engender a climate of confusion and disinformation in the midst of which liberty, freedom, and prosperity are gravely endangered.

THE CRIMES OF GOVERNMENT ARE VAST AND INCALCULABLE.

Report knowledge you may have of such criminality to your local constitutional activists so that together we can begin to reign in the monster of CRIMINAL GOVERNMENT.

NEWS FLASH ... There is one candidate running for office who has spent decades documenting and resisting the unconstitutional antics and criminal malfeasance of those feeding from the trough of BIG and CRIMINAL GOVERNMENT.
